

THE FARM TRIBUNE

VOL. V — NO. 19

PUBLISHED WEEKLY — PORTERVILLE, CALIFORNIA

Thursday, November 8, 1951

JOY WILSON, upper, who will reign as queen of the 33rd annual Veterans' Homecoming celebration in Porterville November 12, and, lower, Pvt. Margaret Holloway, queen of the 1950 celebration, who will ride as Grand Marshall of the parade. Miss Holloway is now stationed in Texas, as a WAF at Lackland Air Force base.

BISHOP BARROW BRINGS \$1.25 AT COW PALACE

A price of \$1.25 per pound was paid by "Smoky" Sawyer, Armour buyer, for Rolla Bishop's grand champion barrow of the Grand National Livestock Exposition at San Francisco's Cow Palace last week.

Early in the week, the Monache Farm Poland China barrow was named top barrow of the show. About 850 head of hogs from throughout western states were entered in Cow Palace competition.

Carroll Plager, from the Morrell & Son met packing firm in Minnesota, who judged barrows at the Cow Palace, said the Bishop barrow would show as a champion in any ring in the nation.

James Andreas Leadership Winner

Announced as California state 4-H winner in Boys' leadership is James Andreas, Earlimart 4-H, son of Mr. and Mrs. J. D. Andreas and last year's state 4-H Achievement winner. Eight state winners will be selected from throughout the nation to receive expenses for a trip to the National 4-H Club congress in Chicago the end of this month.

Kenneth Kramer 4-H Project Winner

Kenneth Kramer, Earlimart 4-H club member, has been announced as state winner of a 4-H garden project award and thereby entitled to an expense-paid trip to the National 4-H Club congress in Chicago, November 25-29. A 4-H member for seven years and active in many phases of club work, Kenneth is the son of Mr. and Mrs. Herbert H. Kramer.

SPORTSMEN TURKEY SHOOT NOVEMBER 11

Funds for use in work beneficial to sportsmen will be raised at the annual turkey shoot of the Southern Tulare County Sportsmen's association, to be held next Sunday, November 11, at the Porterville Municipal airport.

Competition will be provided for shot guns, small bore rifles, pistols and bow and arrow, with the latter class expected to draw archers from throughout the state. In addition, games will be set up for women who want to get a Thanksgiving or Christmas turkey, and for men whose shootin' eye is not as sharp as it might be.

Hot food and refreshments will be available on the grounds throughout the day; main entrance to the turkey shoot area is near the north end of the north-south runway at the airport.

Money raised by the turkey shoot, and by the annual sportsmen's banquet, goes toward improving of hunting and fishing in the Tulare county area. The association is responsible for the establishing of the Moorehouse hatchery, through which excellent fishing is provided in lower Sierra streams throughout the summer and many thousands of man hours are spent each season in planting streams of the Tulare county area.

The association was also instrumental in securing the state game farm, located on the west edge of Porterville, where thousands of pheasants are raised annually.

(CONTINUED ON PAGE 8)

Success Valley Granite Quarry Being Reopened

Being reopened now is the Success Valley granite quarry, with the Raymond Granite Quarries company of East Oakland expecting to be in full operation at Success in about 30 days.

New machinery has been installed at the quarry; some of the older equipment reconditioned and the old quarry hole cleaned out. In charge of operations is Earl Roder, formerly of Bellingham, Minnesota.

Mr. Roder states that the "channel" method of quarrying will be used, rather than the old method of "shooting" the stone. Five or six men will be employed regularly when full operation starts.

The black granite from the Success district is of good quality and takes a high polish. The stone will be shipped to Knowles for working at a Raymond Granite plant there. Finished products will consist primarily of monuments.

Alan George Named County Farm Advisor

Alan G. George, a native Visalian, has been named to the Tulare County Farm Advisor staff to assume charge of work with row crops, including grain sorghums, sugar beets, castor beans, sunflowers, field beans and some work with cotton. A Navy veteran, Mr. George was formerly with the Extension service in Sutter county.

LOREN GOBLE, top, commander of Mt. Whitney Post No. 2001, Veterans of Foreign Wars and Tommy Thompson, commander of Porterville Post No. 20, The American Legion, who are assisting with arrangements for the 33rd annual Homecoming celebration in Porterville November 12.

Frances Wilson Citizenship Winner

Frances Wilson, daughter of Mr. and Mrs. Lovell Wilson of Porterville and a Burton 4-H club member, has been announced as state winner of a 4-H Girl's citizenship award. She will receive an expense-paid trip to the National 4-H Club congress in Chicago the last week in November. Alternate is Virginia Andreas, Earlimart 4-H.

REDLANDS UNIVERSITY J. V. will meet this strong Porterville College Pirate team in the annual Veterans' Homecoming celebration football game on the Porterville high school turf Monday afternoon, November 12, with kickoff at 2 p.m. First row, left to right are: Cliff York, Alva

Henderson, Phil Show, Glenn Stadtmiller, Bill Mayes, Johnny Pein, Everett Snow, Bob Belshe, Tony Prandini, Pete Schulte and Steve Gilwitz; second row: Coach Dino Spigarelli, Jim Carpenter, Shiggy Takemoto, Lowell Crocker, Hank Nanamura, George Sylvester, Paul Burgen, Carl Chappell,

Gordon Sweels, Gust Youngberg, John Demettriff, Coach Lee Angelich; back row: Everett Taylor, George Rosales, Jerry Dossey, Ted Dixon, Jim Maples, Don Stolte, Jim Monroe, Roger Brown, Bob Braly, Gary Hill and Manager Glenn Davis.

"BIGGEST" PARADE, REUNION, FOOTBALL, CAR RACES, DANCES TO FEATURE 33RD HOMECOMING

"The biggest parade in the history of the celebration" is promised for the 33rd annual Veterans' Homecoming, slated for Porterville November 12, under sponsorship of Porterville posts of the American Legion and Veterans of Foreign Wars.

Pioneers Will Meet Again At Annual Reunion

More than 400 pioneer residents of Porterville are expected to return November 12 for the Pioneer reunion that is a feature of the annual Veterans' Homecoming celebration.

In addition, many pioneers who still reside in the Porterville vicinity will join in the reunion that will start with a luncheon at noon in the Porterville High School cafeteria and continue throughout the afternoon and evening — as long, in fact, as pioneers care to stay and talk of the old days.

The reunion is in charge of the Porterville chapter of the Native Daughters of the Golden West, with members of this organization to be in charge of registration of pioneers, a short program and a tea at 4 p.m. Arranging a short program are Carmel McIntyre and Carolyn Simonie, who announce that Bill Garrison, accompanied by Miss Simonie, will sing and that Myra Corbin will entertain with a pantomime act.

During the morning parade that will officially open the November 12 celebration, seats for pioneers will be provided at the location of the old city library on Main street. Immediately following the parade, pioneers will adjourn to the high school cafeteria for lunch and an afternoon of visiting and the renewing of old friendships.

NEW DIRECTORS WILL BE NAMED

New directors for the board of the Porterville Junior Livestock Show and Fair are expected to be named at a meeting of the fair board to be held next Thursday evening, November 15, 7 o'clock, at Gang Sue's Tea Garden in Porterville. Plans for permanent location of the fair in the Porterville municipal ball park will also be discussed.

Parade theme will be, "Freedom Is Our Business," a total of more than 100 entries had been received as of yesterday, including floats, decorated cars, marching units, mounted groups, old-time vehicles and commercial entries. The parade is scheduled to move south along Main street at 10 a.m.

Featured will be 14 bands, headed by the classy 6th Army Piper band, complete with kilts and bagpipes, and immediately following the parade, the annual "Battle of Bands" will be held in the central Main street area.

Other entertainment features will include a football game at 2 p.m. in the afternoon, with Porterville college meeting the Redlands University J.V.s in what promises to be a bangup ball game.

Special halftime program at the game will include the mass swearing in of 30 Army and Air Force

MEMORIAL SERVICES

Residents of the Porterville district and veterans will join in a November 11 memorial service, to be conducted by pastors of the community at the First Christian Church next Sunday at 7:30 p.m. In general charge of the service is the Rev. Charles M. Brandon, American Legion chaplain.

volunteers and the presentation of a medal and citation to Deputy Sheriff Lawrence Johns, Springville, for heroism in saving lives of fellow crew members in the Boone Pasture fire in the Sequoia forest last year.

Also, during the afternoon, top hot rod drivers from throughout California will meet in final program of the season at the Porterville Speedbowl, with such notables as Porterville's own Dick Meyers, Hank Henry of Bakersfield, Paul Kamm of San Fernando, Buck Reilly of Lompoc and others on hand for a speedy thrill show.

Three dances will conclude the

FOR THE LADIES

STRATHMORE FLOWER SHOW OPENS SATURDAY AFTERNOON; TO CONTINUE SUNDAY AT HIGH SCHOOL CAFETERIA

Exhibitors are invited to enter the Strathmore, Carnation, and Sunnyside sponsored flower show which is to take place this weekend at the Strathmore high school cafeteria. Entries will be accepted from 2 a.m. to 11:30 a.m. on Saturday, November 10.

The show will be open to the public from 2:30 to 9 p.m. on Saturday and from 1 to 4 p.m. on Sunday. A door prize will be given each day and prize to the one making the most entries. Only one entry will be allowed in each case.

Following are the various entry classifications:

Section 1, chrysanthemums; large disbudded, spider, spoon and garden type; section 2, dahlias, formal, single and pom pom; section 3, marigolds, large and small; section 4, zinnias, large and small; section 5, roses, one specimen to a vase; section 6, per-

ennials, any perennial in bloom, three specimens to a vase.

Artistic arrangements may be entered in 12 classifications; flower arrangement, over 14 inches; flower arrangement, not over 14 inches; foliage arrangement; arrangement in a vertical container; horizontal arrangement; Victorian arrangement of all dry material; arrangement of dry and fresh material; arrangement of fruit and/or vegetables; arrangement of fruit and flowers or foliage; Christmas arrangement; unclassified.

Miniature arrangements: arrangements not to exceed three inches; arrangements not to exceed six inches; arrangements in shadow box, same specification.

These scenes: arrangements suggesting titles of songs, plays, books or poems. Must be accompanied by titles.

Shadow boxes: large and small;

corsages, mixed flowers and one variety of flowers; dish gardens and terrariums; small growing plants in suitable containers; succulents; artistic arrangement, with or without accessories; unusual specimens.

House plants; for beauty of foliage; for beauty of flowers, ferns, African violets; Junior division, flower arrangement; dried arrangement; miniature arrangement; humorous arrangement; theme arrangement; nursery rhymes or stories. Display title.

Local Women Announce Concert At Clubhouse

Old songs and ballads will be presented by Ann Lumsden, soprano, and Virginia Goldsmith, pianist, when they appear in a recital the evening of November 16 at the Porterville Women's clubhouse.

Mrs. Lumsden will sing English ballads, folk songs, a French group and arias by Claude Debussy and Henry Purcell. Mrs. Goldsmith will present compositions by Johann Sebastian Bach and Debussy. The concert is being sponsored by the Porterville Women's club.

A limited number of tickets are on sale at Claubes, Cobbs and Wayne's Music Mart in Porterville.

Did You Know

MARILYN WILSON, Success Valley 4-H, took seventh place and won a dress length of Juilliard wool material at a "Make It Yourself With Wool" contest held at the Palace hotel in San Francisco, November 1.

ROBERT EDWARD GRISEMER, Porterville, has enlisted through the Porterville station in the United States Navy.

S/SGT. VERNON J. LANE, his wife and daughter, are visiting in Springville at the home of Mr. and Mrs. Ralph Henderson. Sgt. Lane is on leave from Fort Ord.

MAYNARD SOMMERS, Woodville, is spending a leave period from the United States Marines at the home of his parents, Mr. and Mrs. Walt Sommers. Following his leave, he expects to go overseas.

PETE TEWKSBURY, Porterville Barn theater director, has been elected to the board of directors of the Regional Theatre Council of Northern California and Nevada.

T/SGT. BILL LIKINS, Porterville, is now serving in Japan with the U.S. Air force.

JAMES CLYDE BRANCH, Porterville, has enlisted in the U. S. Navy through the Porterville recruiting office.

Annual YMCA Dinner Next Thursday

Lorne W. Bell, executive secretary of the Pacific Southwest area, YMCA, will be the principal speaker at the annual dinner meeting of the Tulare county YMCA, next Thursday evening, November 15, at the Visalia Methodist church.

The University of California College of Agriculture will be host to the 47th annual meeting of the American Dairy Science Association June 24, 25, and 26, 1952, at Davis.

ANA MARIA'S Spanish Ballet will appear tonight as the first attraction of the Porterville Community Concert series, 8:15 p.m. at Porterville High School auditorium. The company features colorful Spanish productions, Spanish ballets, brilliant dancers and a generally diversified program.

Biggest Celebration

(Continued from page 1)

celebration during the evening, one at the Veterans of Foreign Wars hall, one at the Eagle hall and a Latin American dance at the Sports Center.

Reigning over the celebration will be five Porterville college girls — Queen Joy Wilson and Attendants Dema Riddle, Joyce Hair, Jackie Ashworth and Mildred Sparks. They will ride on a special float during the parade and will appear throughout the day and evening at celebration events.

On location now, and scheduled to run through November 12 is the West Coast Shows carnivals, with new rides and new shows that offer entertainment for the entire family. The carnival is located on highway 65, south of town.

Square dancers will have their fling the evening of November 12 when the Rainbow Squares of Porterville sponsor a jamboree on the parking lot at Second and Garden streets. Callers will be Hunter Crosby of Three Rivers and "Cob" Beinhorn, Exeter.

Co-chairmen of the 1951 celebration are Elmore Salesbury, past commander Post 20, The American Legion, and John Knutson, past commander, Mt. Whitney Post 2001, Veterans of Foreign Wars.

CLUB WOMEN CONTRIBUTE TO KOREAN FUND

A sum of \$88 was raised for a CARE for Korea drive at the Monday luncheon meeting of the Porterville Women's club, with Mrs. W. B. Parkinson heading a committee that is seeking to raise additional money, not only from the women's club, but from other organizations as well, to provide food and clothing for women and children of Korea.

Program of the day was presented by Geraldine Larsen, one of the few women magicians in America; Mrs. William Lumsden, program chairman, introduced the guest performer.

Art display for the day included a purple silk fabric and pictures done in embroidery; hand carved ivory and a choinsonne vase on a rosewood table inlaid with pearl; Mrs. Keene was in charge of the display.

Mrs. George Baker presided and expressed her thanks to the committee in charge: Mrs. John Webb Loyd, Jr., chairman for the day, Mrs. Jackson Mead, co-chairman, Mesdames Ed Allen, Chas. Boatman, B. L. Carpenter, Edgar Danner, Ranald Ekman, Ward Fritch, Gaylord Hubler, R. W. Job, Gus Leslie, W. E. Longquist, D. C. Pearson, Earnest Ridgway, Stanley Shiplett, Gilbert Velie, James Venn and Homer Wood.

Fall budding and grafting of citrus should be completed as soon as possible. Trees to be budded should not be dry. Newly budded or grafted trees should be irrigated soon after the operation. Trees cannot be fall budded or grafted after frost.

Strathmore Wins First One; Beats Dinuba 14-13

Leading by a score of 14-0 at the half the Strathmore varsity held off the scoring threats of the Dinuba Emperors to chalk up their first league win last Friday night at Dinuba 14-13.

The Spartans scored on the third play of the game when full-back Ronald Humphrey ran 39 yards. The conversion was good. Strathmore's second score came in the second quarter with Ronald Goings carrying the ball over on a quarterback sneak climaxing a 65 yard sustained drive during which Bill McCowan, Jim Gaines and Humphrey did some nice ball carrying. Humphrey ran the end for the conversion. Dinuba scored both touchdowns in the last quarter on passes. The first conversion was kicked but the second failed when an end run was attempted.

This week the Spartans will try to maintain their winning ways when they travel to Avenal to meet the Buccaneers.

Strathmore lightweight team was defeated 27-0 by Dinuba.

The upset of the week in the Shasta League came when the Orosi Cardinals defeated a highly favored and previously undefeated Woodlake team 7-6. The game of the week will be in Lindsay Friday night when the league leading Orosi team tangles with the once beaten Cardinals. The two undefeated lightweight teams will meet in the preliminary which will probably decide that championship.

South Shasta League Standings

	Won	Lost
Orosi	3	0
Lindsay	2	1
Woodlake	2	1
Strathmore	1	2
Avenal	1	2
Dinuba	0	3

Swine Producers Will Meet Tonight

Hog production and marketing problems will be discussed tonight at a meeting of Tulare and Kings county hog men, to be held in the Farm Bureau office in Visalia. Speaker will be Bud Jackson and Hugo Buckner, of the California Farm Bureau Marketing association; chairman of the meeting will be Carl Elander, head of the swine department of the Tulare County Farm Bureau.

Chamber Board

New members elected to the board of directors of the Porterville chamber of commerce are: Ira Marks, Ray Williams, Zoe Claubes, Dr. Ralph Miller, Jerry Hildebrand and Gang Sue. Hold-over members are: Louis Padula, John Guthrie, Burke Burford, Frances Marie Brey, Jack Darcy and Charles Hoester.

REST PERIOD

The how and why of winter rest period in deciduous orchards are discussed in a new circular, "Deciduous Orchards In California Winters," written by W. H. Chandler and Willon S. Brown of University of California staff. The publication is available at the office of the farm advisor.

BOB G. LEHNEN, Porterville, has enlisted for a period of two years in the U. S. Army. He will receive basic training at Fort Ord.

SGT. MAX CONNER is visiting in Porterville, expecting to remain until November 26 when he will report back to Fort Ord. He recently returned from service in Japan.

Santa Maria and San Jose districts are shipping fall celery in volume quantities.

THE OLD DAYS

From miscellaneous files of pioneer Porterville newspapers,
provided through the courtesy of Howard J. Frame, Porterville.

PORTERVILLE ENTERPRISE October 24, 1905

John Doyle came down from his ranch in the Sierras Wednesday night. When asked about the shooting scrape, in which his old buckskin horse was the victim, he said he had nothing to say for publication, but he appeared pretty mad and does not seem to have relaxed from looking further into the matter and bringing the guilty party or parties to justice.

He said the boys had a narrow escape, as there were 90 pounds of dynamite loaded on the horse in a box and had the shot been fired five seconds sooner, horses and boys would have been blown up and no one would have known the cause.

M. A. Hornbeak took a crack at some ducks at Los Banos, Sunday, returning Monday. The season could not open without him and the ducks refuse to fly unless he is there. He took Dr. Barber and A. W. Phillips along and they all got the limit.

Hercules, Dave Moshier's running horse, won a race at Tulare, Tuesday, beating Irondale, the

horse that beat him at Hanford. It was a quarter of a mile dash and the time was 0:22 1/4.

James Sabin, who resided in Porterville several years ago, was sentenced to 30 years in the state prison at Carson City, Tuesday, or highway robbery, he having held up a bartender and others in a saloon at Reno.

Henry Conner, proprietor of the "Hammerhouse" at Glenville, was in town, Monday.

Robert Horbach returned from San Francisco Sunday, where he went as a delegate to the Grand Lodge F. & A. M.

O. E. Buchanan, Tom Jones and Harry Mahaffey returned from their deer hunting trip Thursday night, Jones being the only one to get a deer.

W. O. Randolph has been appointed general manager of the California Citrus Union at Riverside.

Mrs. W. H. Green of Vallejo, sister of Frank Sheela, and his father, Conrad Sheela of Los Angeles, who have been visiting him, left for Oakland Sunday.

The city fountain has been installed and is ready for the thirst. Take a drink.

SPRINGVILLE

F. W. Phariss, the pioneer, still carries the mail between here and Milo.

Alf Powell has turned out his burros for the winter and ceased his mining operations above Doyles.

Miss Janie Bouchier is stopping with Mrs. J. T. Bearss.

Henry Murphy was here last week, on his way to John Markbury's at south Tule. Mr. Murphy says he was in New York the day Lincoln's body passed through and it was the most exciting day he ever experienced.

George Wray has bought the Alfred Albee apple crop which will be about three tons, for one cent a pound. Last week he took a load to Hanford.

Charley Elster killed two small deer while in the Sierras last week.

Money must not be scarce this year, for many persons are paying their taxes the first week of payment and are paying in full.

Rev. Benton of Oakland, preached here Sunday evening. He is engaged in organizing Sunday schools and will try to form classes at Globe and Orange. If the dancing fever breaks out at Globe, we predict it will spread faster than the religious wave.

THE FARM TRIBUNE

November 7, 1947

Members of the committee that was authorized last week to look into various aspects of a school farm for Porterville's high school, will attend a conference of agricultural teachers to be held on the Tulare high school farm, Saturday. On the committee are: Dale Borrer, Springville, chairman; Vernon Gill, Springville, and Frances Muller, Ducor.

Provision for a 50-foot setback line on the Ducor cutoff was included in a county master street and highway plan adopted last week by the Tulare county board

Strathmore Woman Talks By Phone To Husband In Japan; Strathmore Groups Plan Activities

STRATHMORE, November 1, 1951 — Mrs. John Short Jr. of Strathmore enjoyed a telephone call from her husband, Lt. Short, who is stationed in Sendai, Japan. Others participating in the conversation were his parents, Mr. and Mrs. John Shore Sr., and his children, Karen and Johnny. Lt. Short has been stationed in Japan for the past seven months with the United States Army.

MUSICAL PROGRAM

An afternoon of music was enjoyed recently by members of the Fellowship Circle of the St. Andrews Presbyterian church. The group met at the home of Mrs. Sam Smith.

A musical program was presented by Mrs. J. R. Fillmore at the organ and Mrs. John Staton, violinist.

GARDEN SHOW

Final plans are being made for the community garden show which will be held at the Strathmore Veterans Memorial building on November 10th and 11th. The doors will be open to the public Saturday, Nov. 10, from 2 to 9 p.m., and Sunday, Nov. 11, from 1 to 4 p.m.

TURKEY SHOOT

Final plans were made at the Strathmore Lions club meeting last week for the annual turkey shoot to be held November 18, at the Bill Koepp ranch east of Strathmore.

John Fink is in charge of the shoot, O. J. McNiece and Harold Cameron the small bore shoot and Leo Reynolds is in charge of the food.

of supervisors.

With a prorate of 700 cars for Central California for the coming week, picking of Navel oranges will be accelerated in this district. Practically all packing houses have started operation.

The club has decided to drop their annual Christmas party but continue with the repair and distribution of toys to the needy children of the community at Christmas time. Anyone who would like to donate toys which are repairable or new toys they can be left at Sam's Market where they will be picked up by Club members.

She knows that a Spark heater can
make any house comfortable!

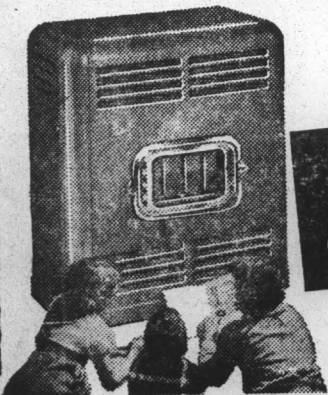

You can't heat the whole outdoors with a "Spark" oil burning heater, of course. But you can be sure of plenty of heat indoors—enough to keep you and your family comfortable in winter's coldest weather. For a "Spark" generates two kinds of heat: a warm flood of circulating heat that reaches into the coldest corners, and the instant radiant heat that chases chill quickly.

IT'S BEAUTIFUL,
WOMEN AGREE

"Spark's" golden-tan "Neutra-tone" finish blends into any decorative scheme, makes "Spark" a harmonious part of your home. And clean, modern lines make "Spark" an attractive addition to any room.

The Farm Tribune

Published Weekly at Porterville, California
 522 North Main Street
 John H. Keck, William R. Rodgers - Co-Publishers
 The Farm Tribune was declared a Newspaper Of General Circulation on January 10, 1949, by judgement of the Superior Court of the State of California, in and for the County of Tulare.

What with a two-day holiday coming up November 11 and 12, we might suggest that Porterville business men arrange to have the sidewalks in front of their businesses swept on Sunday and Monday and the city administration take whatever steps necessary to assure a neat-looking Porterville for the day of the big celebration, November 12.

CRAMER CEMETERY NEEDS ATTENTION AND NEEDS IT BADLY — NOW!

Badly in need of attention is the Cramer cemetery, located about a half mile east of the old Cramer house, where some of this county's real pioneers now rest.

At present, headstones lie on the ground; many graves are unmarked; with exception of the Ainsworth family plot, the cemetery area is unfenced; tops of comparatively recent graves have cracked and caved; in general, the cemetery is in poor condition.

We would like to suggest that some local organization, interested in the history of this area, do something about the Cramer cemetery. With only small expense a fence could be put up, headstones could be replaced, (although some are now broken in several pieces) the area could be generally renovated. And with expenditure of time, record of burials there could be checked and recorded.

The Cramer cemetery is a historical landmark, it is the last resting place for many pioneers and members of their later families. This cemetery deserves and should have better treatment than it has received.

OUR CONGRATULATIONS GO TO LIVESTOCK JUDGING TEAM

Members of Porterville High School's State Championship Livestock Judging team have done an excellent job and are to be congratulated, for in winning the state championship last spring and in placing second, that is in the "silver" class, at the recent National Future Farmer convention in Kansas City, they brought considerable honor to themselves, their school and their community.

Clarence Kays is now out of high school but U. A. Hatfield and J. J. Hatfield, the other regular team members, and Lloyd Wilweber, the team alternate, are still in school which means that Porterville will continue to be a tough contender in Future Farmer livestock judging during the present year.

It is not often that Porterville has produced a state championship team in any line of endeavor; we doubt that any other Porterville team ever represented the state of California in national competition. We know that these Porterville boys were judging against boys from schools possessing considerably more in the way of physical assets for an agricultural program.

But through many hours of work, through many preliminary judging contests during the past two years, these Porterville Future Farmers, coached by R. L. Hooper, head of the Porterville high school agricultural department, were able to beat the best that California had to offer and to hold their own in national livestock judging competition.

Porterville, as an agricultural community with an expanding livestock industry, should be proud of this judging team. It is from boys of this calibre that our agricultural leaders of the future will come.

GENERAL UPWARD TREND REPORTED IN FARM PRICES

California farmers received somewhat higher prices for most farm products as of mid-October, compared to a month earlier, according to the California Crop and Livestock Reporting service.

Prices for all feed grains and hay, except corn, advanced moderately. Producers also received higher prices for cotton, potatoes, flaxseed and rice. Small increases were registered in all livestock prices.

In contrast to the general upward trend, the prices for oranges, lemons, chickens and turkeys declined during the month. Prices for other commodities including alfalfa seed, cottonseed, wool and eggs remained unchanged.

Prices paid by producers for livestock and poultry feeds were generally up from a month ago.

THREE CAUSES OF COTTON STAIN ARE DISCUSSED; REMEDY LIES IN GOOD MANAGEMENT AND SUPERVISION

By Ralph L. Worrell
 Farm Advisor

Perhaps the most common cause of staining of cotton fibers at this time of year is green stain from grass in the field. This occurs not so much from the grass actually going into the trailer and then into the gin but rather from the spindles of the machine picker crushing the grass and getting some of the juice onto the spindles. The juice may then wipe off onto the open cotton as the picker goes down the row. This is apt to occur only in fields having much green grass.

The second cause of cotton stain which is beginning to show up in scattered fields is that caused by gray mold or rot on the bottom bolls of the plants. This mold or rot occurs particularly on rank-growing cotton in fields where the soil contains considerable moisture. The lower bolls, which are on or close to the ground, are kept in a moist condition which is favorable for the development of the mold. Gray-ing or staining of the fibers may occur from this cause.

A third means of staining of cotton is wet weather. Ordinarily this does not occur until late in the fall after showers or fog. Prolonged wet weather causes the fibers to lose their bright appearance and become dull.

Perhaps one of the greatest problems of concern to cotton farmers at this time is whether or not defoliating will cause staining of the cotton lint, however, it is very unlikely that this will result. Even in the case of dry powder-type defoliants, the material is only on the surface of the fibers and is unlikely to cause any permanent discoloration. Growers may notice some of this powder on the open bolls shortly after the field is defoliated, but it is very unlikely that any staining will result to the fiber.

Most cotton staining can be eliminated by proper care and

management of the field and careful supervision of the picking operations.

SEVEN MEN ENLIST IN U.S. AIR FORCE

The following men have enlisted in the U.S. Air Force, through the office of the Porterville Recruiting station in the postoffice building: Robert Velasquez, son of Mrs. Joaquina Velasquez; Theodore W. Bailey, son of Mr. and Mrs. Fred Bailey; D. C. Taff, son of Mr. and Mrs. Fred Taff; William D. Shipman, son of Mr. and Mrs. Herbert R. Wilson; Robert K. Love, Jr., son of Mr. and Mrs. R. K. Love and Freddie L. Stinnett, son of Mr. and Mrs. Orie E. Stinnett.

In Tulare county schools at present are 35,647 boys and girls, an increase of 1,000 over last year.

NEW BANK?

Negotiation for purchase of a site at Main and Garden streets for a new Bank of America building was announced recently by C. H. Landes, manager of the Porterville branch of the Bank of America. Plans for a new bank building have been drawn, it is stated; start of construction hinges on completion of property negotiation and availability of materials.

DON'T BANK SOIL

The banking of soil against the trunks of young fruit trees for the winter can aggravate the damage from collar rot next spring, reports Farm Advisor Jack Foot of the University of California Agricultural Extension service.

Reddy Kilowatt—
 your electric servant

You--and thousands like you--
 determine our production!

Most manufacturing companies set their rate of production in accordance with a predetermined figure—a "quota" or something similar. We have a "quota" too, but it isn't a definite figure. We have to produce exactly the amount of electricity needed by you and the other people we serve. No more than that, because there is no way to store electricity for future use. No less than that, because someone would have to do without. It's a mighty tight restriction—especially when you consider that providing electric service is an all day and night, every day and night, job!

"Edison electricity is your best buy—you can depend on it!"

We Only Heard

By BILL RODGERS

YOU JUST can't get ahead of these Polled Hereford people. At the Tulare County Cattlemen's banquet a week ago, the ice cream served as dessert, carried a fine head of a Texas longhorn. That was too much for Freeland Farnsworth, who, with Mrs. F., owns the famous AceHI Polled Hereford ranch near White River. Freeland, with the aid of a knife, immediately did a de-horning job on his ice cream to develop a new breed — a Polled Longhorn.

FROM THE Lion magazine, we quote the following: "Do you remember Lincoln's story about the little steamer with the big whistle? Every time they tooted the whistle, it blew off so much steam that the boat stopped running. That's the way it is with a lot of people today. If they would only use their steam to drive the paddle wheel of opportunity instead of eternally blowing the whistle of discontent, they would find themselves going up the stream of success so fast that the barnacles of failure wouldn't have a chance in the world to hook onto their little craft. At least they would have power enough to keep from drifting on the rocks and that's something."

THIS AND THAT — We'll have to concede Andy Morrison, manager of the Porterville chamber of commerce, a pat on the back for the article on Porterville that he engineered into California news magazine, "Fortnight." It's on the newsstands now. If you're interested in the doings of public officials, watch for fireworks in the office of the Tulare County Superintendent of Schools. If you're

Harold Schutt Heads Committee To Plan County Centennial In 1952

An executive working committee that will formulate and carry out plans for a 1952 celebration of Tulare county's 100th anniversary and the election of a permanent Tulare County Centennial committee chairman were carried out last week with the new executive group to meet tonight in Visalia.

Harold Schutt, well-known Lindsay civic leader and historian, was named the head of the newly-formed committee.

Serving with him from eight separate districts in the county will be John Vaughn and D. A. Sweet, Visalia; Mrs. C. H. Olsson, Pixley; Mrs. Kitty Knight and C. J. Waldrip, Woodlake; Charles Haener and Bill Rodgers, Porterville; Mrs. Abby Miller, Exeter; Mac Moore, Lindsay; Warren Escher and Bill Joest, Tulare, and Clarence Fraser, Dinuba.

The committee also named Harold G. Rainwater, manager of the Tulare county chamber of commerce, as secretary of the centennial committee. A report issued by Melvin Rudhelm of Pixley of the nominating committee to the centennial indicated the group desired that local committee be set up in each of the eight districts to plan local celebrations next year and work with the

Cotton Men Asked To Report Use Of Machines From Texas

Cotton men of Tulare county are urged to notify the office of the county agricultural commissioner here if they have used a mechanical picker, or if their crop was picked, imported from Texas.

The matter is classed as "urgent," since the cotton boll worm has been found on at least one machine from the Texas area.

interested in a good day of good entertainment, make a date for November 12 when Porterville's veterans stage their annual celebration.

SPORTS WORLD — "Sonny" Galloway, who played third base for the Porterville Packers last season, is a defensive halfback for the Washington State Cougars of the Pacific Coast football conference. Prince Jay, from the Shafter and Springville stables of Sol Camp, set a new world pacing record at Hollywood Park, October 27, covering the distance in 2:07 2/5, bettering the old time of Jerry the First by one-fifth second. Carl Elder, Porterville's high school football coach, is doing one of the best jobs of his career this season, considering the material he has had to work with and the class of competition his boys have met.

county committee.

Meanwhile, Mr. Rainwater reported that a pageant committee had determined a pageant could be put on in the county at a cost of about \$5,000, all of which, he said, would be raised by sale of advance tickets.

But the type of celebration will be decided when the executive committee meets in early November.

SOIL SCIENCE ADVANCEMENT FOUNDATION

The University of California this week announced the establishment in the college of agriculture of the M. Theodore Kearney Foundation of Soil Science. The new foundation will be endowed with the proceeds of the bequest of Mr. Kearney, prominent rancher in the Fresno area in the latter part of the last century, who died in 1906, leaving to the University his estate which included the famous Kearney Vineyard in Fresno county. The endowment now amounts to \$2,268,000.

The foundation will be devoted to the advancement of knowledge of soil science, including soil-water-plant relations, through basic physical, chemical, biological, and hydrological research, with particular reference to arid and semi-arid farming regions.

It will also be designed to strengthen the services of the University in the education and training of soil scientists and teachers of soil science and closely related subjects, to the end that the farmers of California may be better advised as to the growing of plants which will yield a fair return to producers and maximum satisfaction to consumers.

FIRE SEASON OVER

Fire season in the Sequoia National forest was declared officially over in a release from the office of Supervisor Jack J. McNutt. It is not now necessary for campers to secure a campfire permit and to carry a shovel and axe and smoking is no longer prohibited in the forest.

Shopping... with Betty

By Betty Scott

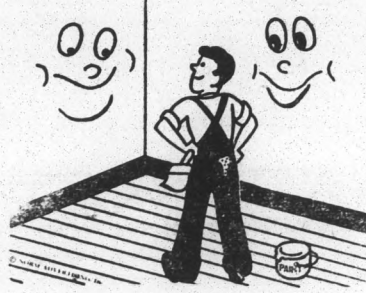

There's still monkey-shines going on, about taxes this year. Heard of another weird case. Householder paid his taxes (awfully small); his neighbor's bill was larger so the neighbor kicked. Came a man saying he was from the county office (didn't specify which office) trying to talk the first tax-payer into paying half of the second's taxes "to square things!" Something's mighty fishy in Visalia! Sounds to me like loose fingers on the county's purse strings. Anybody need a new set of purse strings? At BREY'S BOOK SHELF, 600 N. "D" I saw the prettiest and best I ever heard of at amazingly reasonable prices. Evening bags of metallic brocade with metallic draw strings. Some were white and gold, some black and silver, some in pastels. Marie has miniature figurines in now that are dillies. I especially loved Simple Simon and the Pie Man. Better hustle by and order your Christmas cards too.

Certainly is gettin' to be a scandal when married women can't go out on the town for an evening, make the rounds and have fun without candid camera addicts taking their photos! "Free world," my eye! It's an invasion of privacy to worry the girls that way! Besides, I bet they're rotten pictures anyway! My advice is to have only EDWARDS STUDIO take your pictures. Their special continues until the 20th of November... 4x6 pictures for the price of 3x5s! Just call 1385-J and have a lovely photo without a worry in the world. You know you'll look your best when Edwards take the picture... besides I bet those candid would cost you a fortune for copies!

Do you think the thick haze that's been hanging over our hills is the result of the atom bomb tests? Maybe we should have the little men with the counters come over here and case the valley. We've been having another epidemic of auto accidents and about half the population not only feels terrible... we seem to be in a daze as well as a haze. We'd better wake up or Thanksgiving'll be over and we'll have forgotten to be thankful! SEARS ORDER OFFICE has the best idea I've heard in a long while... a free 15 lb. turkey will be given away with every freezer (any size) that they sell before Thanksgiving. That's giving you something to be thankful for... in case you can't think of anything else.

TO WHOM IT CONCERNED: Readers say "thank you very much"... nobody has been reported as "critical" instead of ill since the beef was printed. Your subscription will be renewed and all is uncritical again. You're welcome... next! This here is the smiles column. Even the walls grin, though please note they have no ears! 'Strue, too. Boysen Paints from THE BREY WRIGHT LUMBER CO. are good for walls. They give your home personality, youth, and longer life... in 1322 colors (for the critical), yet! Stop by and select the exact shade. Free estimates and budget terms.

If all the local gals come on to take off for South America, you can blame Maude Melvin Lowe. She has talked to 20-Ands and Zonta about her exotic life in the Southern wilds and got the gals all of a twit. Seriously, I'm sorry I haven't had a chance to hear all about it. She is said to be a fascinating speaker and to be honest, the gals are thrilled with her tales but doubt their ability to cope with all she has managed. Seldom a home-town-girl comes back to such admiration and respect. And softies talk about there being no more pioneering to be done! Don't believe it. There are new things every day... such as PROCTORS CLEANERS Retexing process that may be new to you. If you've never tried it, do so. They send all fabrics home looking and feeling like new. The process puts youth back into the fibres. Next time leave your clothes at Putnam and 4th.

Now comes the big weekend and the parades. The larger of the two parades, the visiting kin-folk, so overwhelms, and out-numbers the street pageant that it hardly seems fair to the horses... Don't wait til the last minute to call FLORENCE PEAK'S BEAUTY SALON for your Thanksgiving prettying-up. You'll get left again. I shouldn't say last minute... I mean last week. All appointments for this week were taken by noon Monday. Call 107-W now for your holiday job or you'll be sorry again.

SUMMONS

No. 42414
In The Superior Court of the County Of Tulare, State of California

MARGARET L. DIAL, now known as MARGARET L. BERKELEY, and whose maiden name was MARGARET L. McCALL, Plaintiff

vs.
VIRGIL BERNARD DIAL, also known as V. B. DIAL, Defendant.

THE PEOPLE OF THE STATE OF CALIFORNIA SEND GREETINGS TO: VIRGIL BERNARD DIAL, also known as V. B. DIAL, Defendant.

YOU ARE HEREBY DIRECTED TO APPEAR and answer the Complaint in the action entitled as above, brought against you in the Superior Court of said County of Tulare, State of California, within ten days after the service on you of this Summons if served within this County, or within thirty days, if served elsewhere.

And you are hereby notified that unless you appear and answer as above required, the said Plaintiff will take judgment for any money or damages demanded in the Complaint, as arising upon contract, or Plaintiff will apply to Court for any other relief demanded in the Complaint.

Given under my hand and seal of the Superior Court of the said Tulare County, State of California, this 5th day of October, 1951.

Cloud Seeding To Be Continued Along East Side

Cloud seeding operations will be continued for at least part of the winter and spring season along the east side of Tulare county and northern Kern county between Poso creek and Kern river, in an effort to increase rainfall.

This decision was reached at a meeting of ranchers last Friday evening at the Women's clubhouse in Ducor, when it was decided that money already collected, although not enough to permit signing of a season contract, would be spent on an hourly basis for cloud seeding by airplane when suitable storms develop.

Precipitation Control company of Phoenix, Arizona, will do the flying; handling finances are officers of the Southern Sierra Corporation, a non-profit group set up last year to contract for cloud seeding.

Previously it has been announced by Southern Sierra Corporation President F. R. Farnsworth, that no contract will be signed unless all money for an \$18,000 contract is in hand. Time to raise this money was extended to December 1.

It was pointed out by Mr. Farnsworth that ranchers who have contributed on the assumption that enough funds for the complete contract could be raised, can recall their money if they do not want to go ahead on an hourly basis. Practically all contributing ranchers at the Ducor meeting agreed to go ahead on an hourly basis while further effort is being made to raise the amount of the proposed contract.

Basis of contribution is seven cents per acre for grazing land; 10 cents an acre for farming land. Money can be sent to the Southern Sierra Corporation secretary, Ralph Jones, in Porterville. Hourly rate for cloud seeding flying time is \$100; area to be seeded is above the foothill range country, extending into the valley to approximately highway 65.

OLIVE MEETINGS

A series of meetings to demonstrate methods of olive pruning will be held under direction of Farm Advisor Karl W. Opitz the latter part of November, with dates to be announced later. Schedule calls for meetings at Orosi, Lindsay, Strathmore and Terra Bella.

Citrus Meeting

Tulare county citrus growers are invited to be guests of the Citrus Experiment station at Riverside, Wednesday, November 14, between 10 a.m. and 3 p.m., to hear discussions of improvement studies now underway at the station and to view results of this improvement work. Persons attending can join the group at Riverside.

4-H Beef Animal Sale Next Saturday

Members of 4-H clubs, and club leaders from throughout Tulare and Kings counties will have an opportunity to buy beef animals for project work at a special sale, sponsored by C. J. Shannon & Sons, in cooperation with the California Farm Bureau Marketing association, at the Farm Bureau yard in Visalia, next Saturday, starting at 10 a.m.

About 66 head of calves, averaging 425 pounds, will be auctioned while demonstrations on selection of beef animals, feeding problems and practical beef feeding projects, will be given.

Demonstrating "Cost Of Feeding and Feeding Requirements" will be Farm Advisors John Emo and Bill Sallee and Farm Advisor Steve Marsden of Kings county, will demonstrate "Proper Selection of Beef Projects."

The introduction of the 4-H practical beef feeding project will be a special feature of the sale. The new project emphasizes the importance of careful management in selection, buying, and marketing for the greatest profits. A trophy will be presented to the club members with the most outstanding record in this project at the end of the club year. The trophy, to be on display at the sale, is donated by the First National Bank in Orosi.

Growth rate has been stepped up nearly 100 per cent when an antibiotic containing feed supplements is added to the ration of runts, or unthrifty pigs.

Fertilizer supplies, like many other critical materials, will be affected largely by the National Defense Mobilization Program in 1952. The general outlook can be considered reasonably good but because of a critical shortage of sulfur the availability of superphosphate fertilizer may not be good. The nitrogen supply will be reasonably good.

Alfalfa will make excellent silage. When the crop is allowed to wilt about 65% moisture in the windrow no preservative is necessary. Silage is especially beneficial to the winter feeding of dairy cattle.

SPORTSMEN TURKEY SHOOT NOVEMBER 11

(Continued from Page 1)

and where between 4,000 and 5,000 birds are now ready for release.

Members of the Southern Tulare County Sportsmen's association have also been particularly active in the legislative field, as it relates to fish and game, cooperating with other sportsmen's organizations to secure passage of beneficial laws.

Directors of the association, working with President Bob Marshall, are in charge of the November 11 shoot.

Cauliflower is now in plentiful supply in California.
